

Amendments to the Claims:

This listing of claims will replace all prior versions, and listings, of claims in the application.

Listing of Claims:

1. (Currently Amended) A method of selecting an image bearing product that requires a particular resolution digital image, characterized by:
 - a) a user providing a high resolution digital image in a memory at a ~~first location~~user location;
 - b) a service provider providing information which is displayed at the ~~first location~~user location, such displayed information including at least two different image bearing products that can be provided by the service provider that require at least two different resolution digital images;
 - c) the user selecting one of the image bearing products to be provided by the service provider after viewing the displayed images at the user location;
 - d) the service provider communicating the resolution required for the selected image bearing product to the ~~first location~~user location;
 - e) responsive to the communicated required resolution, automatically converting at the ~~first location~~user location, the high resolution digital image to a lower resolution digital image corresponding to the selected image bearing product; and
 - f) sending the lower resolution digital image from the ~~first location~~user location to the service provider;
 - g) utilizing the lower resolution digital image to produce the selected image bearing product.
2. Canceled.
3. (Original) The method of claim 1 further including using a digital camera to capture the high resolution digital image.

4. (previously presented) The method of claim 1 wherein the at least two image products include prints of different sizes.

5. (previously presented) The method of claim 1 wherein the at least two image bearing products are different photo albums.

6. (previously presented) The method of claim 1 further including the step of:

h) establishing a service account for the user with the service provider to permit the user to have access to ordered services.

7. (previously presented) The method of claim 6 further including the step of:

i) providing payment for the selected photo product.

8. Canceled.

9. (previously presented) The method of claim 1 wherein the converting step further includes modifying the number of bits per pixel to produce the lower resolution digital image.
